

HILLGROVE BANDS

The Hillgrove High School Band is the newest program among the bands in Cobb County, a nationally recognized, number one ranked Music Community. Our goal is to become one of the top bands in the country. To facilitate our efforts we are offering you the opportunity to advertise on two of our most visible products: A 48' moving van trailer that has been refurbished and painted and will accompany the band as it travels locally and throughout the country and when it is not in use it will be parked on campus in a prominent location, and a new 42' band tower located on the high school campus.
